CharityVision expeditions are designed to immerse you in our humanitarian work overseas while experiencing the local wonders and culture of the country.

Our goal is to provide you with an unforgettable, executive experience that will touch your heart and create a vision for your future involvement in our programs.

## KNOW THE AMAZON RIVER

Discover Colombia's Amazon River: Rich wildlife, indigenous cultures, and untouched beauty in one unforgettable journey.

## ENJOY A NEW CULTURE

We do as the locals do as we try local cuisine, shop local markets, cruiser the Amazon river, and interact with the locals.

## CATCH THE VISION

Join our local CharityVision team and help do vision screenings at local elementary schools and communities, deliver glasses, and scrub up to enter the surgery room and see sight-restoring surgeries first hand.

## MAKE A LASTING IMPRESSION

Your donation from this trip goes to a permanent screening program, which will reach 6,000 patients each year from the most remote places in Colombia.

12 - 15 participants | 8 days, 7 nights adventure in Bogotá, Colombia  
All-inclusive on all in country expenses (local transportation, meals, tourism, and hotel).
