CharityVision expeditions are designed to immerse you in our humanitarian work overseas while experiencing the local wonders and culture of the country.

Our goal is to provide you with an unforgettable, executive experience that will touch your heart and create a vision for your future involvement in our programs.

## KNOW THE MAASAI

We visit the Maasai warriors, native to southern Kenya and northern Tanzania. We learn of their rich history and marvel at their stamina and skill.

## ENJOY A NEW CULTURE

We do as the locals do as we try local cuisine, shop in local markets, explore Tarangire National Park and interact with the locals.

## CATCH THE VISION

Join our local CharityVision team and help do vision screenings at local elementary schools and communities, deliver glasses, and scrub up to enter the surgery room and see sight-restoring surgeries firsthand.

## MAKE A LASTING IMPRESSION

Your donation from this trip goes to a permanent screening program, which will reach over 200,000 patients each year from the most remote places in Tanzania.

12 - 15 participants | 8 days, 9 nights adventure | \$6,500 per person  
All-inclusive on all in-country expenses (local transportation, meals, tourism, and hotel)
