CharityVision expeditions are designed to immerse you in our humanitarian work overseas while experiencing the local wonders and culture of the country.

Our goal is to provide you with an unforgettable, executive experience that will touch your heart and create a vision for your future involvement in our programs.

KNOW THE INCAS

We visit the ancient city of Cusco, center of the Inca Empire in addition to different ancient ruins including the world-famous Machu Picchu, and walk the Inca trail.

CATCH THE VISION

Join our local CharityVision team and help do vision screenings at local elementary schools and communities, deliver glasses, and scrub up to enter the surgery room and see sight-restoring surgeries first hand.

ENJOY A NEW CULTURE

We do as the locals do as we try local cuisine, shop local markets, and interact with the locals.

MAKE A LASTING IMPRESSION

Your donation from this trip goes to a permanent screening program, which will reach over 40,000 patients each year from the most remote places in Cusco.

12-15 people | \$5,000 per person | 5 day, 6 night adventure
All-inclusive on all in country expenses (local transportation, meals, tourism, and hotel)
